REPORT

Date December 2, 1938.

Subject Further assistance to Royal Danish Consulate-General regarding

J. Albeck.

Made by D. S. Hooking

Forwarded by Inspector

A telephone message was received by the undersigned at 2.30 p.m. on 1-12-38 from Mr. M. J. I. Melchior, Vice-Consul of the above Consulate, to the effect that the Danish subject mentioned in their letter of November 28, 1938 had failed to appear in accordance with arrangements made for his repatriation.

Mr. Melchior stated that owing to the known habits of J. Albeck, it was possible that he had been detained by the Police on a drunk and disorderly charge. A teleprinter message circulated to all stations and enquiries instituted with the French Police brought no information regarding the man but on the morning of 2-12-38 Mr. Melchior again telephoned stating that Mr. Albeck had put in an appearance at the Consulate a short time before, in a drunken condition.

Mr. Melchior is undecided at present what will be done with Albeck and made the request that the Municipal Police should no longer concern themselves with the man's whereabouts, at the same time expressing gratitude for Police assistance. He further stated that should Albeck be detained at any time, the Danish Consulate would appreciate being informed.
